Subject:- A.R.P. Equipment.

We reliably understand that Air Raid Precautions Services (Emergency) Act 1941 has been promulgated throughout the State of Mysore, and now the A.R.P. Wardens, Volunteers and the Officers as well well have to be provided with standard type of Badges, Whistles and Hand-bells.

We are the only authorized manufacturers and suppliers of A.R.P. badges, whistles and handbells for whole of India, Burma and Ceylon. We are at present supplying all these articles in thousands to A.R.P. Officers.

You may ascertain from any of the A.R.P. Officers, Bombay, Madras, Vizagapatam, Delhi, Karachi, Quetta, Rangoon, Colombo, Mandalay, Peshawar & Dibrugarh, as to from which firm they are obtaining their requirements of the articles mentioned above. We have also supplied A.R.P. badges to the Dt. Magistrate, C.& M. Station, Bangalore.

We enclose herewith true copies of only a few of the orders received recently for favour of your kind perusal.

We strongly hope, therefore, that you would be kind enough to obtain from us your requirements of the articles named above; and if you are not concerned with this matter, please forward this letter to the Officer who deals with the supply of A.R.P. Equipment.

Thanking you, Sir, in anticipation.

Subject:- Air Warden's Hand Bells.

Air Wardens move through streets belowing their whistles as a warning of an impending air raid, and they ring hand bells when the raid is over to signify "All Clear".

Along with the Whistles and Badges, we are also manufacturing and supplying the hand bells mentioned above in big quantities to A.R.P. Officers all over India and Burma. Quite recently the A.R.P. Officer, Bombay, has very kindly obtained these bells from us in a very big lot. The bells are made of standard pattern; they are exceptionally durable and most suitable for the purpose. Still we have priced them so very moderately as to easily suit all pockets, i.e., Rs.1/10/0 each only.

Will you please, therefore, let us know how many of them you require for your air wardens. If you please permit us, we may gladly submit a sample bell for favour of your kind inspection and approval.

Thanking you,Sir, in anticipation of your reply per return
